

Subject: Support for the Rhydycar West Development Project

Dear Councillor,

As a long-term resident of Merthyr Tydfil, I am writing to express my unwavering support for the Rhydycar West development project. I firmly believe that this world-class sports and leisure resort will bring significant benefits to our community. The following are key reasons for my support, which fellow residents may also find compelling:

- **Economic Impact:** The resort is expected to contribute £38 million in Gross Value Added (GVA) annually to the local economy, highlighting the immense financial benefits it could bring to our region.
- **Job Creation:** The construction of the resort is expected to generate approximately 1,500 jobs, while around 800 jobs will be created once the resort becomes operational. The ripple effect of attracting a million visitors to the town will further increase employment opportunities in various sectors such as hospitality, tourism, and retail.
- **Improved Well-being:** The state-of-the-art sports and leisure facilities will encourage physical activity and promote a healthy lifestyle among residents, fostering a sense of well-being and improving quality of life.
- **Revitalization of the Town:** The influx of tourists to the area will help create a vibrant and dynamic atmosphere, contributing to the revitalization of our town and instilling a renewed sense of pride among its inhabitants.
- **Wealth Creation:** As our town and its economy grow stronger, the opportunities for our residents to build wealth and improve their standard of living will also increase.

We understand that there are challenges associated with any development project. However, I firmly believe that the benefits of the Rhydycar West resort far outweigh the slight disruptions and challenges that may arise during its construction and operation. These challenges can be compensated for and overcome through careful planning, consultation, and collaboration with the local community.

In conclusion, as a proud resident of Merthyr Tydfil, I wholeheartedly believe that the Rhydycar West development project represents a crucial turning point for our community. I therefore urge the Planning Review Committee to recognize the transformative potential of this project and grant the necessary approvals to ensure its successful realization.

Thank you for your time and consideration. I look forward to witnessing the positive impact that the Rhydycar West resort will have on our town and the lives of its residents.

Yours sincerely,
